Dear Mr. Katz:

I would like to extend my sincerest appreciation for the continued support of Vail Resorts in conjunction with the Alpino organization in providing snow sport recreation opportunities for students in the Denver Public Schools. This past season, over 1,200 DPS students were able to take advantage of these recreational opportunities thanks to your generous support of this program. This opportunity would likely not have been possible without your generous support.

Our district relies on many strong community and corporate partnerships and is proud to count your organization among those who are willing to contribute time and money toward the shared goal of increasing educational achievement for Denver's students.

Once again, thank you for your generous support of this worthwhile program. We look forward to many years of collaboration ahead.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael F. Bennet".
